Dear Friends, Family and Members of our Community,

On September 15, 2018 I will join others on a scavenger hunt as part of **“The Travis Hunt”**, an event that raises money for PTSD. The goal of this event is to increase awareness of PTSD, to highlight stories of survivors and to raise money to help veterans deal with this deadly disease. In order to meet this goal, we are asking for sponsorships or Donations from local businesses and individuals such as you.

I am asking you for your support in this event because I know firsthand what it is like to lose a loved one to PTSD. My son, **TRAVIS**, took his life after a losing battle with PTSD. If we had all been more aware of the risks of PTSD, perhaps he would have sought medical attention sooner. PTSD is a disease that gets over looked but effects over 30% of our service members coming back from war.

For further information on PTSD please visit our Facebook page The Travis Hunt and also visit our website www.thetravishunt.org

By giving to this annual event you'll be supporting The Travis Hunt and helping us provide assistance to those in our community and others suffering from PTSD. I believe Travis would be proud of my efforts to raise awareness and I like to think he will be beside me on this scavenger hunt.

I hope that we can count on you to help support our cause. Please make checks payable to “The Travis Hunt”. If you have any questions or concerns, please feel free to call or email thetravishunt@gmail.com

Thank you for taking the time to understand more about PTSD, the effects it has on our military and my efforts to end the suffering. Something I wish for is that no other family will have to go through the experience of losing their loved one in such a tragic way.

Thanks in advance for your consideration!

Sincerely,

The Travis Hunt Team
